Pre-CanSkate (Ages 3 to 5 or first-time skaters)

Pre-CanSkate is a learn to skate program for ages 3 and up or skaters who have never been on the ice before. Pre-CanSkate is designed to give skaters a positive first experience on the ice. Skaters learn through creative activities and teaching methods that are age-appropriate. This program will focus on positive reinforcement, basic skating skills, and will prepare children for Fliteway's Skating Club's CanSkate Program. All sessions (classes) include a 15-minute off-ice warm-up and 30 minutes of on-ice instruction. Skaters will be placed in small groups according to age and skating level.

CanSkate (Ages 4 and up)

CanSkate is the Skate Canada flagship learn-to-skate program. Skaters must be able to skate independently to qualify for this program. CanSkate focuses on fun, participation, and basic skill development. All classes are taught in a group format and are led by an NCCP-certified professional coach. Skaters progress at their own rate in a progressive, and sequential badge program. CanSkate is an excellent starting point for children interested in pursuing figure skating, hockey, ringette, speed skating, or just an interest in acquiring basic skating skills.
